

Al Hoda First Newsletter

Dear Parents,

On behalf of AlHoda School staff, I am happy to welcome you to the 2013 -14 school year. We have been very busy this summer preparing for what we hope will be a very enjoyable and productive school year. We had a new collection of Arabic and English stories at our libraries and our teachers have passed a series of training and workshops to be ready to help your kids for their academic success and prepare them as productive and responsible Muslims.

We are looking forward to a productive partnership with you to ensure our children can reach their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education.

As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. In case your child needs any additional support, don't hesitate to contact us and avoid rushing to private tutoring outside the school.

We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, wearing his school uniform and ready for the day's learning experience
- 2) Completes all homework assignments given by teachers.
- 3) Make sure that he/she is revising and studying Quraan assignments daily.
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Shares school experiences with you so that you are aware of his/her school life
- 5) Informs you if he/she has a problem in any area or subject so we can arrange for a support program

A copy of our school rules has been handed over so that you and your child can review them together. It is very important that you and your child are fully informed regarding standards related to appropriate behavior for a safe and productive school year. In addition you can read thoroughly Parents Handbook uploaded on the school website; www.alhodaschools.com. I look forward to a great year with your child. Please don't hesitate to email me if you have any questions or concerns on

"Let's Dream About Tomorrow"
Our objective was to implement different values that the students have studied throughout the academic year 2012/2013.

Sketches, Plays, and songs have been presented to emphasize these values aiming at Egypt's prosperity. The youngest kids started the ceremony followed by the elder. One of the most special moments of the party was KG2 Graduation. Parents were very excited to see their kids interacting and self confident. We would like to thank all those who shared in the party.
