Science Fair - It's not about what you study in a book!

Year 5 and 6 students at Al Hoda Azhar went above and beyond what is typically required of them in the science books. They chose their own projects; did researches; sharpened their presentation skills and tightened their friendship bonds. The result was an exceptional science fair!

Math International Week

Students and teachers enjoyed a week full of math activities ranging from challenging competitions between classes to many hand-on activities such as Ramadan Fraction Ornament and Geometric Rules Lantern. Mr. Math, the mathematician, also added a spirit of fun and joy to the broadcast everyday.

Al Hoda Azhar Students Achieve High Ranks Across Egypt in the Mathletics Competition

Students shared in the competition with over 900 other schools from 130 countries. The results were outstanding. Some students were able to achieve ranks across Egypt; others obtained bronze certificates. Congratulations to all!

Kindergarten Projects

Mid year break was an amazing opportunity for parents to spend quality time with their children working on projects about healthy and unhealthy food. They also worked with their children on the Farm Animals project. We are truly thankful beyond words to parents for the amount of love and effort they put in these projects as it boosted children to present their projects with great confidence and pride.

الاحتفال بالمناسبات

الاحتفال بالمناسبات يجدد الحياة، يمنح القوة ويشحن الطاقة للاستمرار فيها وكسر روتينها الجاد

لذلك اعتادت أسرة العاملين بمدارس الهدى على الاجتماع لإحيائها، وخاصة المرتبط منها بالسيرة العطرة الزكية فهذه الأيام المباركة، لتذكر الأحداث، وما ارتبط بها من مقدمات وآداب

فالاحتفال رمز للتفاؤل والإيجابية، ينير الطريق، يشحن الهمم، يبعث الأمل، يحي القلوب ويجمعها

احتفالية العاملين بالإسراء والمعراج

احتفالية العاملين ببليلة النصف من شعبان

احتفال ختام ربع يس

تيمنا بشهر رجب وذكرى الإسراء والمعراج المباركة، احتفل زهور الهدى ، تلاميذ الصف الرابع الابتدائي، بفضل الله تعالى بختم ربع يس، تحت إشراف نخبة مميزة من المشايخ الأفاضل.

احتفال ختام جزء عم وتبارك

وزادت الأجواء بهجة بتزامن هذه المناسبات الفرحة ببراعم الابتدائي، احتفالا مع تلاميذ الصف الأول بختم جزء عم وتلاميذ الصف الثاني بختم جزء تبارك

شارك في هذه الاحتفالات سيادة المشرف العام وقيادات المدارس ، داعين للزهور والبراعم بالثبات وتمام الحفظ والافتداء بأخلاق الحبيب ﷺ الذي قالت عنه السيدة عائشة رضي الله عنها: "كان قرآنا يمشي على الأرض".

زادكم الله علما نافعا ونفع بكم وجعلكم من أهل القرآن وخاصته..

School Trips - Excitement Up To The Brim!

Trips! A word meaning 'happiness' for students and teachers. This term, our trip agenda was packed with excitement and adventure! There were trips tailored for each group age

kindergarten: Dondon Park

It was an amazing opportunity for the young ones to apply and explore what they learned about farm animals and desert life. The day at Dondon Park was crammed with many activities and adventures: they planted, rode horses/camels and did some lovely hand crafts. They also had a unique chance to bake some bread and 'feteer'. The trip was customized to cover the topics that they had learned.

Year 1 and year 2 : Faby land and My Town Egypt

Plenty of fun! Plenty of joy! Plenty of giggles! In Faby Land, students had a heightened experience in leisure and entertainment all day . From Amusement Rides to Bumper Cars and Clip N climb. Then they moved to My Town where they enjoyed the huge, soft playground; the trampolines; obstacles courses and climbing walls. What's left ?

Years 3 and 4: Ski Egypt

Students strapped on their ski boots and plunged into the snow; rolled in zorb balls and spun into the 30 meter-long slides. Students also had fun playing with snowballs in the frosty weather. The trip was a perfect mix of fun and adventure.

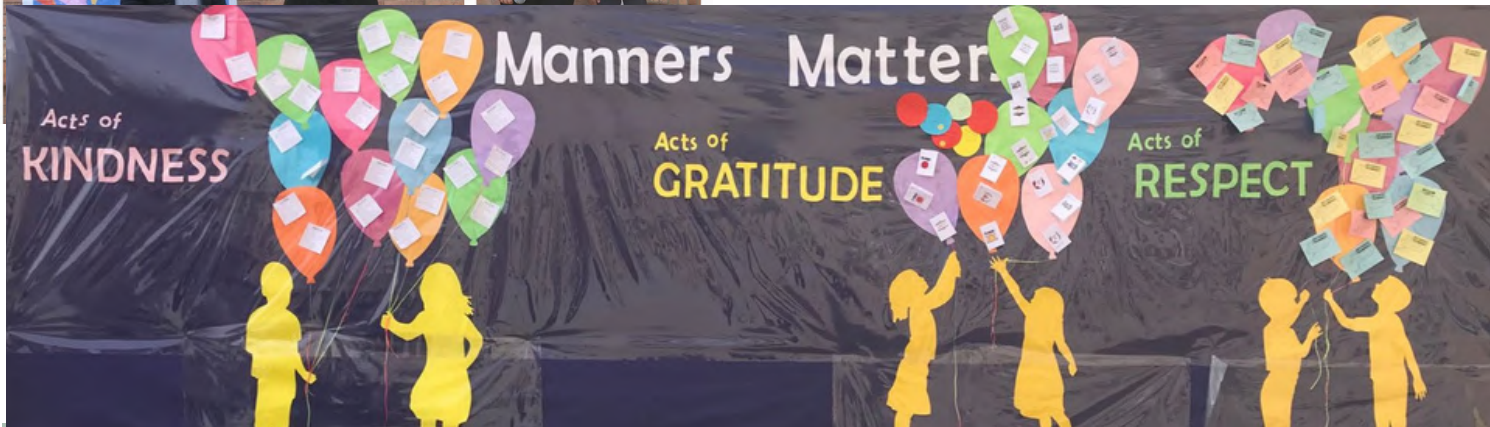

Years 5 and 6: Al Fayoum Trip

Students enjoyed the breathtaking views of Wadi El Rayan waterfalls. They also experienced the exhilaration of desert adventure and the thrill of sand boarding down the dazzling, yellow sand. Boating at Qarun lake was a bold adventure but a not-to-be missed one. To top it off, students spent the night at school amid the warm chats and loud giggles that filled the place with happiness! Definitely a trip to remember!

Manners Matter

In an attempt to spread good virtues among students, Al Hoda Azhar School launched the 'Manners Matter' program. 'Manners Matter' aims to introduce moral virtues to students in an interesting context such as through watching short animated videos. Teachers and Sheikhs also engage in light discussions with students in order to leave a positive impact on them. Students who show positive attitude are honoured during the morning line up.

Sports On Wheels

How exciting would it be for students to take their scooters, skateboards or roller skates to school along with their school bags? You name it, they had it! For a whole week, break times were buzzed and stuffed with all sorts of activities on wheels. Cheers and happiness were on wheels too.
