AL-HODA AZHAR LANGUAGE SCHOOL

## CELEBRATING 20 YEARS OF OUTSTANDING EDUCATION

Twenty years have passed since we first opened our doors to young and bright minds in Egypt. Our mission was very clear from day one: offering outstanding education while maintaining our Islamic identity.

Generations of children, with their heads full of dreams and their hearts full of hope have entered our classrooms, only to exit them as young proud Egyptians with a bright future, willing to serve their country with pride and love! Since its founding in 2002, HAS has developed into an innovative Azharian educational model in Egypt that stands the test of time.

Our mission and promise to remain a renowned reference in private Azharian education will always remain.

## PROFESSIONAL DEVELOPMENT PROGRAM FOR ALL TEACHERS

Because we believe that the best educators keep learning, the school kicked off the new academic year with a Professional Development Program for all teachers. The program aims to develop teachers' knowledge, boost their skills and keep them updated by the latest technology in teaching.

As part of the Professional Development Program, the school hosted Sheikh Dr. Magdy Ashour, the Academic Advisor to the Grand Mufti of Egypt, who gave a cultural seminar to expand our vision of thought and boost our morale.

# WELCOME BACK, TEACHERS

In a warm, welcoming atmosphere, Al Hoda Schools gathered in the school theatre to meet all staff and welcome new ones. The meeting included a speech for Dr. Hany Assal and Dr. Hedia Amer, about the mission and vision of the school. The meeting was an excellent opportunity to motivate, encourage and inspire teachers for a new academic year that is just to begin.

Our Guest of Honour was H.E. Sheikh Dr. Magdy Ashour, the Academic Advisor to the Grand Mufti of Egypt, who gave an inspiring speech about the great value of a teacher and his place of honour.

## CELEBRATION OF AL-MAWLED @ AL-HODA SCHOOLS

In light of Al-Mawled Al-Nabawy, Al-Hoda Schools gathered to celebrate their love for the beloved: Prophet Mohamed, peace and blessings be upon him.

A choir then took the stage by storm, chanting to commemorate the birth of prophet Mohamed PBUH. Their Islamic chants filled the air with peace and serenity.

## AL-MAWLED CELEBRATION KINDERGARTEN TOGETHER WITH YEARS 1 & 2

We have indeed, in the messenger of Allah, a good example of conduct for anyone whose hope is in Allah.

Through the past weeks, we aimed to teach our children about Prophets Muhammad's life. We have focused on how kind and merciful He was and how he treated everyone gently. Knowing about the Prophet's good deeds was so impressive.

The children got so much attached to him and it created their desire to follow the Sunnah and act like the prophet (PBUH).

Our Mawlid broadcast program reflected what the students have known and learnt. It included poems, songs, acting and narrating situations and hadith to revive the Sunnah. KG 1, 2, Year 1 and 2 worked together to come up with a lovable broadcast.

## OCTOBER WAR VICTORY A TALE OF RESILIENCE AND GLORY

Flags everywhere; happy faces and invigorating ambience - that's how one can describe the celebration of October Victory that took place at Al-Hoda Azhar School!

Students said a short speech about the glory of the war and how it added bravery and honour to all Egyptians. They waved their little flags proudly and the patriotic songs echoed in the school, awakening the love and respect that we hold for our nation, deep in our hearts.

Everyone saluted the flag and sang the National anthem with great pride and enthusiasm. Eventually, students went to their classes amid the chants of 'tahya Misr' May God always bless and protect Egypt!

## MEET AND GREET GETTING READY FOR THE NEW ACADEMIC YEAR

Kindergarten stage is the formative stage of a child's life .It ensures a child's early years education are fun, exciting and supported by family and teachers. In an attempt to get students ready for the new academic year, the school held a Meet and Greet event which took place just before the school officially kicked off. The event was definitely a great opportunity for everyone: parents, teachers and students as well.

## PARENTS MEETING

On the 27th October 2022, we were delighted to finally meet our parents again at school. Parents and teachers have discussed the students' progress and different ways to help the children to develop confidently. With the help and understanding of our parents, all the meeting procedures went on smoothly and organized.

## SHARE MY DAY

Today's little moments are tomorrow's precious memories.

Thanks mum and dad for making that day extra special!
