

AL HODA AZHAR LANGUAGE SCHOOL NOVEMBER 2023 NEWSLETTER

Al Hoda Azhar's Grand Welcome Gathering for a Boundless Educational Journey!

As we embark on our 21st year, Al Hoda Azhar community came together for a heartwarming Welcome Gathering - a celebration of vision, commitment and endless ambition! The gathering marked the beginning of a new academic year where students and staff embrace our core values and manners, forming the bedrock of our success.

School's Professional Development Embraces Spectrum of Skills!

From cutting edge AI and latest computer programs to child psychology and mindset.

The main focus of this year's PD was to prepare educators for the future of learning, where technology, psychology, and a growth mindset combine to unlock limitless possibilities in the classroom!

Back to School with a Bang!

A dynamic comeback for all our students as we step back into the halls of learning!

Growth Mindset? Yes, please!

It's easier to shape mindsets at an early age and make it a way of thinking. That's why we have chosen our theme: Master Your Mindset, and we are making this transformation of mindset through a wide range of activities.

School Trips: Time to Bond and Grow!

It's always nice to break free from the classroom and make unforgettable memories. Whether it is an educational field trip or an action-packed fun trip, students definitely have a blast of a time enjoying, exploring and learning.

Kick, Jump, Score: Tiny Titans on Sports Day!

It was an absolute joy to watch our students radiating so much excitement and energy on Sports Day.

Way to go, young champions!

Extra Curricular Activities: A World Beyond the Classroom!

We believe that extra curricular activities not only enriches learning, but also deepens understanding. From Quran to language arts, math to science, there's something for everyone.

School Stands in Solidarity with Palestine

With Israel's uprising tyranny against Palestine comes the importance of educating students of the history Palestine and the importance of Al Aqsa Mosque in Islam. It was also time to remind them of the morals of compassion and empathy. Not to mention the importance of love, loyalty and patriotism to our beloved country, Egypt.
